

WELCOME TO PROVIDENCE CHRISTIAN SCHOOL

WELCOME FROM ADMINISTRATOR

Dear Parents and Students,

We are excited that you have chosen Providence Christian School to assist you in the educational and spiritual training of your children. The mission and purpose of Providence Christian School is to assist the Christian home in providing a sound education for its children, both academically and spiritually, in a Christ-honoring and caring atmosphere so that each child may be conformed to the image of Christ. We look forward to the type of teamwork that will enable us to accomplish our goals together.

This handbook has been designed to help you understand the philosophy, policies, procedures, and expectations of our school. To be sure, it will not totally answer every question that may arise, but it will serve as an overall guide to make the upcoming school year a successful one. As a staff, we want to be accessible to you as well. If there is anything we can do for you as a parent, either this year or in the future, do not hesitate to contact us.

We desire the graduates of Providence Christian School to stand out in our society. Because of this we endeavor to provide an education that is built upon the foundational truths of the Bible.

May God bless our collective efforts as we seek to “Train Champions for Christ” and make a difference in the lives of our students.

In His service,

Ron Sainsbury
PCS Administrator

Purpose and Goals for Christian Education

Our philosophy of purpose is based on the authority of the Word of God. We believe there is no true wisdom or knowledge apart from God the Father and a personal relationship with His Son, the Lord Jesus Christ. The primary objective of the school is to train the student in the way of life presented in the Bible while giving him a good general education.

First, we are a school seeking to win young men and women to the Lord Jesus Christ who will serve and love Him. Although admission to PCS in the lower elementary grades is more “open” to unsaved or unchurched families, on the middle school and high school level, we generally do not accept students who do not understand and profess faith in the biblical doctrine of salvation, that is, that salvation is only in the Lord Jesus Christ and His saving grace, apart from any works or religion. Also, students in middle school and high school must have a desire to attend PCS in order to be considered for enrollment or re-enrollment. It is felt that students who do not want to attend a Christian school or Providence Christian School would have a negative influence upon other students. This is followed by instruction in right thinking, good conduct, and clean living in the light of the principles of the Bible.

Second, we are a private, non-profit, Christian school with high academic standards and goals to educate and prepare students for a life of service for Christ. The academic program follows a traditional approach to education. An emphasis is placed on the mastery of fundamental material that will lead to the satisfactory achievement of student success in the various areas of study. We believe that the traditional system of education strengthens the mind and builds character. Our desire is that each student be loved, disciplined, guided and taught by a qualified and dedicated faculty. We believe that two primary characteristics that are evident in those who have successful Christian lives are obedience and dependability. Jesus Christ is the perfect example of this; therefore, with Christ-centered material and methods, we seek to train and influence young lives.

STATEMENT OF FAITH

- The Bible
 - We believe that the Bible is the Word of God and is supernaturally inspired.
 - The Bible is infallible and inerrant in all that it says.
 - It is our absolute authority and is complete in revelation.
 - As a ministry, we believe that the King James Version (KJV) is the best translation in the English language and is the only version used at Providence Christian School and Providence Baptist Church.
 - The Bible is part of our daily curriculum.
- God
 - We believe that there is one God eternally existing in three persons: the Father, Son, and Holy Spirit.
 - God is the creator of heaven and earth.
- Jesus Christ
 - We believe that the Lord Jesus Christ is fully God, fully man, born of a virgin, and lived a sinless life.
 - He died a substitutionary death by shedding His blood and dying on the cross.
 - He arose bodily from the dead and later ascended to heaven, where He sits at the right hand of the Father and will one day return for His own.
- Man
 - Man is by nature and practice a sinner, separated from God and can become God's child only by faith in the Lord Jesus Christ and His work of redemption on Calvary.
 - A new birth through regeneration by the Holy Spirit is absolutely essential for the salvation of man.
- Salvation
 - Salvation is a free gift from God to man.
 - Man is saved by undeserved mercy through faith and that nothing of man enters into his salvation. We believe that the death and shed blood of Christ paid for the sins of all mankind.
 - We believe that God has given man a free will to accept or reject His payment for sin. We reject any teaching that states that God has chosen some for heaven and some for hell.
 - We believe that every true child of God possesses eternal life and is, therefore, safe and secure for all eternity, being justified by faith, sanctified by God, and sealed by the Holy Spirit; he cannot lose his salvation.

If there are major philosophical and/or doctrinal differences between what a home believes and what the school believes, it would not be wise for a parent to pursue enrollment of his/her child(ren) in PCS. For this reason, the parents and their children enrolled at PCS should attend a fundamental, Bible-believing church on a regular and consistent basis.

MINISTRY POSITION ON LIFESTYLE AND SEXUAL PREFERENCE

- Providence Christian School's desire is to partner with the home in providing a Christian education to children and to develop character based on biblical principles. In the event that a student/family's lifestyle choices conflict with or are in opposition to the school's biblical lifestyle beliefs, the school reserves the right to decline the admission/re-enrollment of and to discipline the student.

- As a Christian school, PCS reserves the right to select students and partner with families on the basis of the school's religious beliefs and the student/family's personal conduct (lifestyle choices). This would include the student and family religious commitment and lifestyle choices (including, but not limited to sexual orientation, same-sex marriage and unmarried co-habitation).
- We believe that God has commanded that no intimate sexual activity be engaged in outside of a marriage between a man and a woman. We believe that any form of homosexuality, lesbianism, bisexuality, bestiality, incest, fornication, adultery, and pornography are sinful perversions of God's gift of sex. We believe that God disapproves of and forbids any attempt to alter one's gender by surgery or appearance. (Gen. 2:24; Gen. 19:5, 13; Gen. 26:8-9; Lev. 18:1-30; Rom. 1:26-29; 1 Cor. 5:1, 6:9; 1 Thess. 4:1-8; Heb. 13:4)
- We believe that the only legitimate marriage is the joining of one man and one woman. (Gen. 2:24; Rom. 7:2; 1 Cor. 7:10; Eph. 5:22-23)

EXPECTED STUDENT OUTCOMES

To assist parents in their God-given responsibilities of educating their children through Godly character and academic excellence, PCS seeks to develop curriculum, programs, learning opportunities, and school environments designed to yield student development in three general areas: Spiritual Growth, Social and Skills Development, and Academic Development all with a biblical world view. It is our desire to produce graduates who are well-rounded and ready for a life-long service to Christ.

- For Spiritual Growth of Students, the school endeavors to see students:
 - Have a personal and saving knowledge of Christ.
 - Have a growing, personal relationship with Jesus Christ.
 - Engage in the spiritual disciplines of prayer, Bible study, Scripture memory, and service.
 - Understand the essential doctrines of the Christian faith.
 - Develop a biblical sense of right and wrong.
 - Apply biblical principles as the foundation for living by equipping students with the tools needed for life-long ministry and service in their local church.
 - Personally respond to carrying out the Great Commission locally and around the world.
- For Social and Skills Development, the school endeavors to see students:
 - Understand the worth of every human being as created in the image of God, and treat people with respect, dignity, grace, and truth.
 - Prepare for wholesome and Christian use of leisure time.
 - Have the skills to question, solve problems, make wise decisions, and demonstrate higher orders of thinking.
 - Develop the proper attitudes, understanding, and skills needed to establish God-honoring homes.

 - Respect and relate appropriately with integrity to the people with whom they work, play, and live.
 - Know how to utilize resources including technology to find, analyze, and evaluate information.
 - Develop a biblical attitude towards material things.
- For Academic Development, the school endeavors to see students:
 - Develop good study habits.

- Be well prepared in all academic disciplines, who are skilled in reading, writing, speaking, listening, and thinking.
- Show proficiency in mathematics, science, and problem solving.
- Have knowledge and understanding of people, historically significant events, and the cultures of other people and places.

- Students will be held accountable and disciplined for inappropriate pictures, communication, music, etc. posted or used on any form of online communication or social media. Posting of any videos, pictures, or recordings of school day activities is strictly prohibited.
- Appropriate conduct is required of all students. Disruptive behavior in the classroom or on school grounds will result in disciplinary measures.
- Lying, stealing, and cheating (copying homework, dishonesty on tests, quizzes, etc.) will be disciplined and could result in suspension or expulsion.
- Vulgar language, profanity, or references to the Deity (God, Jesus Christ, etc.) that are expressions of exasperation or disgust will be subject to disciplinary action.
- Inappropriate physical contact is not permitted at school or at any school function and may result in disciplinary action.

- Participation, association, involvement in immorality, homosexuality (including self-identification), bisexuality, transgender identity, drug use or possession, alcohol use or possession or other activities of an adult nature (i.e. getting married or engaged while a student at PCS, pregnancy, etc.) on or off campus will result in immediate suspension and possible dismissal.
- Students that make any harassing statements that could cause emotional or physical distress to anyone associated with PCS will be dealt with severely and could lead to suspension or expulsion.
- Any form of bullying will be addressed and could lead to disciplinary action including suspension or expulsion.

- Birth Certificate

- Up-to-Date Immunization Record
- Paid Registration Fee
- Student Reference Forms
- Custody Papers (if applicable).

It is the parent's sole responsibility to update the school of any changes or updates.

RE-ENROLLMENT

Re-enrollment will be made available to those already attending PCS. Re-enrollment will be on a first-come, first-serve basis beginning in January. Enrollment is a yearly decision, and PCS administration reserves the right to deny reenrollment to a current student.

CONTINUED ENROLLMENT

Attendance at Providence Christian School is a privilege and not a right. Students and families applying for re-enrollment will be evaluated on the basis of their academic, spiritual, and behavioral progress to determine if they qualify for readmission. The privilege to attend PCS may be forfeited by any student or family who does not conform to the standards and regulations of the school. At regular intervals and at the end of the school year, each student's progress will be evaluated.

ACADEMIC QUALIFICATIONS

Academically, students must be ready for the grade/level class for which application is made. Determining variables may include testing of mental ability, reading level, math achievement, and review of grades in former schoolwork. PCS does not offer exceptional student education services such as: SLD (Specific Learning Disability), EH (Emotionally Handicapped), ADHD (Attention Deficit Hyperactivity Disorder), ADD (Attention Deficit Disorder), or any other special needs programs.

STUDENT QUALIFICATIONS

We admit students of any race, color, nationality and ethnic origin to all rights, privileges, programs and activities made available to students at the school. Spiritually, students and parents must be in accord with the Christian purpose, standards, and policies of the school. All students and parents applying for grades 7 - 12 must sign a statement indicating their desire to be in a Christian school and willingness to abide by PCS standards and policies. All students must be single, not-engaged to be married and have no children. PCS admits students without regard to race, color, national or ethnic origin. Students must be the appropriate age before September 1st to enter a specific class. PCS abides by the Florida education age requirements for admissions. K5 students must be 5 years old on or before September 1st of the school year.

HEALTH QUALIFICATIONS

A doctor's examination is necessary within one year prior to entrance and must be on file in the office. The current HRS immunization certificate must be on file in the office prior to the first day of school, along with a birth certificate.

ENROLLMENT AGREEMENT

To emphasize and express the importance of PCS's policies, we ask that you read the following information. Parent and student will need to sign a form indicating your agreement and understanding of the policies.

1. Students are to show respect in relation to the faculty and in speaking to faculty members.
2. The use of profanity, tobacco, alcoholic beverages, illegal or unauthorized drugs on campus or off campus at any time, are serious violations of the standards of Providence Christian School and will lead to expulsion.
3. Students are not allowed to leave the school grounds during school hours without permission from parents and proper school authorities.
4. The School is not responsible for the loss of personal property, whether the loss occurs by theft or any other cause.
5. Providence Christian School reserves the right of dismissal of any student who persistently and willfully neglects his academic work, exercises poor citizenship, reflects adversely on the Christian principles of the school, or generally fails to cooperate with teachers or administration. He or she may be indefinitely expelled.
6. Students are expected to adhere to dress code guidelines as described in the student handbook.
7. PCS students are prohibited from having tattoos or any body piercing, with the exception of traditional ear piercing for female students.

9. It is the sole responsibility of the parent to provide the school with updated records and legal documents in accordance with the student handbook.

PHONE NUMBERS ON FILE

Any phone numbers provided to Providence Christian School may be used to contact parents/guardians and students. Phone numbers provided to the school will not be given to third parties. If you do not wish to be contacted on a specific phone number, please contact the main office to have the phone numbers removed from your family's record.

HOMESCHOOLED STUDENT ADMISSIONS

Providence Christian School recognizes that the parents are ultimately responsible for the education of their children. As such, some parents will choose a program of home education that specifically meets the needs of their children. PCS does offer specific services and/or activities to home school students that are members of Providence Baptist church. These services are detailed in the home school services brochure available in the school office. These services are limited in scope and do not provide home school students all the privileges of a full-time PCS student. Approved home school students are required to abide by all the rules and regulations (including dress) as a full-time student. Programs available to home school students may be limited based on availability. Activity participation is limited and permitted only as it relates to the class/activity being taken by the student.

When a student transfers from a home-education program to PCS, the administration will make the final decision of grade placement. All progress reports, report cards, achievement test results, or other standardized testing should be submitted for enrollment consideration. Senior home school students will not be considered for enrollment after September 1 of their senior year.

RETENTION POLICY

It is the policy of PCS to not retain a student more than one time in their academic career. Any student who has been retained, either at PCS or prior to their enrollment at PCS, and needs to be retained again may be asked to withdraw from PCS.

WITHDRAWAL

As soon as a parent knows that he/she will need to withdraw his/her student from PCS, he/she should notify the school office so the arrangements can be made. All records and the report card can be released only if the student's account is paid in full and all materials returned. Students who withdraw during the school year will not receive a yearbook. Students who are dismissed from Providence Christian School will not be considered for re-enrollment during the current school year.

REASONS FOR DISMISSAL

- Student and/or parent are out of harmony with the rules and policies of the school.
- Parents will not cooperate with the Administration.
- A student or parent of a student brings a lawsuit of any kind against Providence Baptist Church or ministries, including PCS, or one of its employees.
- A student's conduct, attitude, negative influence, or lack of effort makes it inadvisable for that student to remain in PCS.
- Excessive absences.
- Continual failure to achieve academically or continual lack of effort.
- Failure to remain current on school account.

REASONS FOR EXPULSION

- Use, association with, or possession of drugs or alcohol at any time.
 - Threats to teachers, staff, or students at any time.
 - Intentional destruction of church or school property.
 - Forcible entry into any church or school buildings.
 - Obscene gestures and language directed at the faculty or staff at any time.
 - Immoral behavior at any time, as defined by the Administration and addressed elsewhere in this handbook.
 - Possession of pornography at any time.
 - Accumulation of 90 demerits in a semester
-

The student and parent must meet with the Administrator and/or Pastor before re-enrollment will be considered for the following year. A student who has been dismissed or asked to withdraw from enrollment will not be allowed to attend school-sponsored activities without prior approval from the Administrator and/or Pastor. Students who are expelled during the school year will not receive a yearbook.

STUDENT RECORDS

The school maintains a complete record, including a cumulative academic record, for each student. All material in these files is treated as strictly confidential and is available only according to the following policy:

- It is the parent/guardian's responsibility to have the following documents updated and current in the student's cumulative file by providing to the school records coordinator:
 - Birth Certificate
 - Current School Physical
 - Current immunization record
 - Current custody paperwork (if applicable)
- No report cards or student records will be released to parents or to another school if the family is delinquent in tuition payments or has a debt of any kind with the school.
- Parents or legal guardians have the right to inspect and review official records, files, and data directly relating to their children.
- Parental requests to inspect and review the official record relating to a child shall be made in writing to the Administration. Such requests will be honored at the school's convenience. All records will be reviewed or inspected in the presence of an administrator so that proper explanation may be given.
- When a student becomes eighteen (18) years of age or is attending an institution of post-secondary education, the permission or consent required of and the rights accorded to the parents and guardians shall thereafter also be accorded to the student.

**PCS will ask current students (18 years or older) to have a parent or guardian present while the student is inspecting his/her cumulative file.

FINANCIAL POLICIES

PAYMENTS

Each student must pay a registration fee, textbook fee, tuition, and all applicable miscellaneous fees. The registration fee is due upon enrollment and is **non-refundable**. If a student is registering for the upcoming year, the book deposit and activities fee are due before July 20. The balance and any textbooks ordered after the start of school are to be paid for in full by September 20. If a student enrolls during the year, the textbook fee and prorated tuition is due upon enrollment.

All families must be current on tuition payments and other fees in order for their children to attend the first day of school. Also, families must be current after the semester break in order for their children to return to school on the first day following the end of the first semester.

Fees other than tuition and textbooks (e.g. music, sports, field trips, etc.) will be invoiced monthly through the Business Office. Balances must be paid by the 20th of the following month of receipt to avoid a \$25 late payment fee and potential program restriction.

A registration packet, which includes the current fees and tuition charges, is available in the school office. Please understand that a classroom seat cannot be guaranteed in classes that are filled early unless the full registration payment is received and accompanied with **all** pertinent paperwork.

There are **three** payment plans for tuition. They are as follows:

Option 1 – Full payment is due on or before July 20 and will incur no additional fee.

Option 2 – One half of the total amount is payable on or before July 20 and the balance due on or before December 1. There is an additional fee assessed for this plan.

Option 3 – Tuition payments are distributed evenly over a ten or twelve month period.

Parents are obligated to authorize the FACTS Tuition Management System to automatically draft from a designated savings or checking account the monthly installments on either the 5th or 20th of each month (or split to be paid on both dates). The ten-month plan is from July to April; and the twelve-month plan is from June to May. There is an additional fee assessed for this plan. A \$35 fee will be assessed if sufficient funds are not available at the time of the selected transfer. This fee is in addition to any fee the bank may charge for an overdraft. FACTS will notify of any payment deficiency.

Tuition fees are refundable on a pro-rated basis as determined by the Business Office and based on the official date of withdrawal. Other fees may be partially refundable under special circumstances when certain criteria are met on the part of the parent.

Report cards and related information will be held each grading period on accounts that are past due (this includes aftercare fees, library fines, lunch charges, etc.). During these times, cash and/or money order payments may be required. No report card or student record will be released until full payment is received.

If unexpected financial difficulties occur in a family that make it difficult to comply with these financial policies, we urge the family to notify the school or contact the Business Office immediately. The more time a parent allows to pass before addressing the need, the more difficult it is for our ministry to help.

Providence Christian School is a ministry of Providence Baptist Church. As such, it is imperative that the financial obligations of this ministry are met for the sake of the entire church ministry. We expect that our parents recognize and understand that establishing specific financial policies is essential to protect this and other ministries of Providence Baptist Church. It is our desire to avoid the limiting of God's work simply because a financial commitment was not honored by a parent. The financial policies contained in this handbook will be consistently enforced through the Business Office and the school administration.

SCHOLARSHIP AID

Providence Christian School has established a needs-based Student Aid Scholarship fund for those desiring assistance in providing a Christian education for their child(ren). These funds are distributed upon the recommendation of Financial Aid for School Tuition (FAST). A link to the FAST website is located on the school website. Applications will be accepted beginning with first day of re-enrollment and continue until July 31 as funds are available. Funds are limited and are distributed on a first come, first serve basis with initial preference given to returning families. Scholarship participants must reapply through FAST each school year.

FUNDRAISING

Providence Christian School is endeavoring to keep the tuition as low as possible. We do not receive local or federal aid of any kind. The school program is supported by your tuition and by fund-raising activities, as well as special gifts. Therefore, PCS asks every student and family to help in fund-raising activities, which enable us to hold tuition to a minimum. The school conducts several fund-raising events throughout the school year to enable us to meet the expenses not covered by tuition.

SCHOOL WIDE POLICIES

Listed in Alphabetical Order

ABSENTEEISM AND TARDINESS

ABSENCE POLICIES

Providence Christian School maintains a rigorous and challenging academic program. Standardized test results consistently are above national norms. A fine enrichment program of music, foreign language, fine arts, and physical education training further enhances the academic program. When students are in attendance on a consistent, regular, and timely basis, they receive the maximum educational benefit.

In order to gain the most benefit from school, comply with the mission and purpose of PCS, satisfy state school laws, and realize the full value of tuition dollars, students need to be in school for at least the minimum number of hours/days of instruction.

- Absences are excused for the following reasons: student illness, death in the family, medical or dental appointments, or any other reason excused by the Administrator BEFORE the absence occurs. Students are allowed ten absences per semester (or a total of 20 absences for the school year) without academic penalty unless these absences are unexcused. Students who have unexcused absences will not be able to make up missed assignments and quizzes.

- Students who miss class to participate in school-related official functions will not be counted as absent.
- A note or email is required from the parent for admission to school after any absence. Failure to have a note automatically deems the absence unexcused. Students failing to bring a note after three days will cause the unexcused absence to become permanent.
- Elementary students who arrive on time but leave before 9:00 a.m. are considered absent. An elementary student coming to school after 9:00 a.m. but before noon is marked absent half-day. Students must be in school by noon to be counted present for the afternoon (half-day). Students leaving after 2:15p are considered present for the whole day if they arrived on time that morning.
- Middle school and senior high students' attendance is counted by periods. Missing from two to four periods is the equivalent of half-day absence. Missing five or more periods is the equivalent of one day absent. Students are considered present for the whole day if they are present for six of the eight academic periods.
- In order for any planned absence to be considered for an approved excusal, a note to the school must be received at least three days prior to the absence. It is the responsibility of the student to gather work for those days, and the work must be turned in when the student returns to school. Students are also responsible for collecting missed assignments (class notes, projects, etc.) that were completed by the class during the absence.
- A student who is absent more than 35 days during the school year will be required to repeat the entire school year at the same grade level. Students who miss between 21-34 days during the school year may be required to perform additional hours of in-school attendance in order to acquire the necessary hours for grade promotion or awarding academic credit on the high school transcript. The administration may waive this requirement if the student has proper medical or other approved documentation.
- Extended vacations during academic times are strongly discouraged.
- "Perfect attendance" is defined as missing no more than one half-day of school (excused absences only).
- Attendance at school programs is required unless the child is ill or there is a family emergency. A written excuse signed by the parent must be submitted prior to or immediately following the scheduled event. If the excuse is for an unacceptable reason, a student enrolled in a music course will receive a reduction in those grades.

MAKE-UP WORK

- All work missed because of an excused absence must be made up within a time frame equivalent to the amount of days missed unless other arrangements are made. The time period for make-up work to be completed begins immediately upon the student's return to school. It is the student's responsibility to contact teachers and complete all make-up work.
- Teachers are instructed to issue zeroes for all unexcused absences as it pertains to make-up work.
- School Business Absences- If a student misses class due to school business (i.e.- athletic event, fine arts event, etc.), he must turn in his work to the appropriate teacher on the day of the absence BEFORE he leaves school. It is also the STUDENT'S responsibility to get the next day's assignment from the teacher and have it completed the following day he is back in class.

TARDINESS

Parents are asked to see that the students arrive at school on time each day. Excessive tardiness hinders a student. Students should arrive to school no later than 7:45. First period begins at 7:55. If a student arrives to the classroom after the 7:55 bell, the student will be considered tardy.

- All students reporting to school after 7:55 must report to the school office for an admit slip to class.

- All students will be marked unexcused unless the student has given an appropriate excuse note to the office.
- Excused tardiness includes personal sickness, family or road emergency. One traffic problem tardy will be excused per 9 weeks.
- Unexcused tardiness includes oversleeping, excessive (more than one per 9 weeks) traffic problems, stopping for breakfast, leaving home late, etc.
- Three unexcused tardies to school per quarter equals one unexcused absence and a demerit.
- Parents should not accompany late students to class. Parents should not go to the classroom to talk with teachers before or during school hours. Parents should make an appointment with the office to have a conference with a teacher.
- A student is considered late if he is not in class and seated at the appointed time. It is important to establish the good habit of promptness at an early age. It is very difficult for the other students and the teacher when class must be disturbed from a student arriving late to class.
- Secondary students: For all classes (exception first period), a demerit will be assigned for every unexcused tardy.
- A student who arrives before 9:00 a.m. is eligible to participate in extracurricular events that evening if the morning absence was excused. If arriving after 9:00a, to participate in extracurricular activities, the student must present a doctor's note. A student who is present for morning classes but leaves because of illness may not participate in evening extracurricular events. Unusual circumstances will be handled on a case-by-case basis. A student who has chronic tardies or absences on the day following an extra-curricular activity is subject to disciplinary measures deemed appropriate by the administration.

ARRIVALS AND DEPARTURES

- ARRIVAL POLICIES
 - Morning care for all students begins at 7:00 a.m. and ends at 7:45 a.m. Students arriving before 7:30 will be charged for extended care, and the school account will be billed accordingly. Students arriving to school before 7:45 a.m. should be dropped off at the south door of the Chapel.
 - Students in grades k5-6 will be picked up from morning care by the teacher or escorted by patrols at 7:45. Students in grades 7-12 will be dismissed at 7:45.
 - Classroom doors open at 7:45 a.m. Elementary students should not be left unattended at the classroom door or anywhere else on campus.
 - Students arriving after 7:45 a.m. should be dropped off at walkway behind the school office.
 - For the safety of all, do not drop off students in front of school office. Follow directional patterns outlined in the Orientation Packet.
 - Please see the last page of the student handbook for a diagram of the carline traffic patterns.
 - **SPEED LIMIT IS 10 MPH ANYWHERE ON SCHOOL PROPERTY.**
- DISMISSAL POLICIES
 - All students in grades k5-12 are dismissed at 3:10 p.m.
 - Grades K5 & 1st are picked up in front of the ELC building M
 - Grades 2-6 are picked up in front of the school office.
 - Grades 7-12 are picked up at the awning area in front of the gymnasium.
 - Parents are requested to pick up students in car line only. For the safety of all, do not park in parking spaces while waiting for students.
 - Early dismissal should be planned as much in advance as possible. A note should be presented to the office or the child's teacher on the morning of the day of early dismissal.

- All parents should report to the school office to sign their student out. At no time should a parent go directly to the classroom for the student without signing the student out at the office. Parents with unplanned early dismissals should expect a delay in signing out. The administrator will address excessive early dismissals. Parents are asked not to sign out early simply for convenience or avoiding traffic at the afterschool pick up time.
- Names of those people permitted to pick up a student during the day are filed with the enrollment application. Children will not be released to anyone else without permission or a phone call from an authorized person. It is the sole responsibility of the parent to notify PCS of any changes to the pick-up list.
- Student drivers must sign out in the school office. Written permission or a phone call from a legal guardian is required to leave campus early.
- Students leaving early for school business are not required to sign out.
- Upon dismissal, students must be either with a parent, in the supervised Aftercare program, or in the designated carline waiting areas. Students not picked up by 3:35 must go to Aftercare and charges will incur (see In Financial Information sheet for rates). Students involved in extra-curricular activities should be under the supervision of the appropriate adult in charge. Students waiting for siblings in an extra-curricular activity must report to Aftercare. All students are required to attend Aftercare if not picked up by the appropriate dismissal time or attending a school sponsored activity.
- Any students leaving campus by walking or riding a bike should have a written note from their parent in the school office.
- Please see the last page of the student handbook for a diagram of the carline traffic patterns.

CARE OF PROPERTY

It is expected of students at PCS to respect the property of the church and school. If a student should damage or break something, whether intentionally or by accident, he/she must pay to repair or replace the damaged or broken item(s).

Students are also expected to respect the property of other students. Students who damage or break another student's belongings must also replace them.

CELL PHONE USE POLICY

General Policy: Students are not permitted to use a cell phone on campus during normal school hours unless given permission by a staff member.

- Any use of a cell phone in school during school hours by a student will result in disciplinary action. If a student brings a cell phone to school, the cell phone must be secured in the student's locker or book bag and must be turned off. If the phone rings while in class, the teacher will initiate disciplinary action and the phone may be confiscated for the remainder of the day. Confiscated phones may be returned by the administration to students (first offense) or to parents (additional offenses) upon request. Students whose phones have been confiscated more than once may be asked not to bring a cell phone to school in the future.
- Use of a cell phone during a quiz or test for any reason will automatically be considered cheating, and appropriate academic and disciplinary action will be taken in the sole discretion of the administration.
- No taking of, or other use of, cell phone photographs/videos is permitted during the school day. Particularly, no cell phone photographs/videos are permitted in the restrooms or locker room areas at any time. Violation of this prohibition is a serious discipline offense.

- Because cell phones often function as data storage devices, student cell phones at school are subject to inspection and review by school staff pursuant to the ministry's normal search and seizure policy and administrative discretion. Any content deemed to be inappropriate in the sole discretion of the administration may be grounds for further discipline.
- Cell phone use of any kind is not allowed in morning care without permission from a staff member.
- Appropriate cell phone use is allowed after school. Any student using a cell phone for inappropriate use is subject to confiscation. Students involved in after school extra-curricular activities may use a cell phone appropriately based on the policy of the adult in charge of the extra-curricular activity. Cell phone use in the supervised aftercare program is strictly confined to contacting ride information with staff permission.
- Parents who need to contact their child during the school day for emergency purposes should use the school's normal emergency contact process and call the main school phone number. School staff will assist parents in communicating with their child in appropriate emergency situations. Parents should not consider their child's cell phone as a means of contacting their child for any reason during the school day.
- Headphone use is not allowed on campus at any time or on school-related activities.
- **By bringing a cell phone on campus, students will be required to allow administration to search all contents of the phone at any time deemed necessary regardless of cause.**

Note: These guidelines were formulated after careful review of school cell phone policies across the State and the country. (Adopted from the Christian Law Association)

CHAPEL

- All students are required to attend chapel and to have their Bibles with them.
 - Kindergarten chapel (grades K3-K5 is generally held every Friday.
 - Elementary chapel (grades 1-6) is generally held every Tuesday.
 - High School chapel (grades 7-12) is generally held every Tuesday and Thursday.
- Additional chapels and assemblies are held as deemed necessary.
- Appropriate conduct in chapel is expected. Disciplinary measures may be taken for conduct such as talking, sleeping, disturbing others, chewing gum, etc.

CHILD ABUSE

Florida law requires that all teachers and administrators report child abuse or suspected child abuse to the proper authorities. This can be done by calling 1-800-96-ABUSE(962-2873) or report online at <http://www.dcf.state.fl.us/abuse/report/>

COMMUNICATION

- Our goal is to achieve excellent communication between parents and school staff. Parent/teacher meetings, conferences, notice forms, progress reports, and school newsletters or other forms of communiqué will keep parents informed of their child's progress and activities.
- Because the Christian school exists as an extension of the Christian home, parents are expected to assume major responsibility for the academic and spiritual development of their child. PCS requires parents to attend an orientation session prior to the beginning of school, periodic parent/teacher meetings, and parent/administrator conferences regarding their child's overall progress. For students whose parents are

divorced or separated, the school will forward communications to the enrolling parent who should then forward them on to the child's other parent as necessary.

- All student and family information is available through our HeadMaster portal. Parents and students may access announcements, homework assignments, grades, behavior notices, and account balances 24/7 through HeadMaster. Each parent and student will be issued a HeadMaster username and password upon enrollment at PCS. HeadMaster access may be denied if the school financial account is not current.

CRISIS MANAGEMENT EMERGENCY PLANS

- Campus Closings: In the event of an approaching hurricane Providence Christian School will make a decision to close the campus that correlates with the Hillsborough County School District. The administration of PCS will make the decision when to re-open school. Families should visit HeadMaster, the PCS website, or the PCS Facebook page for further information.
- Emergency Drills: Emergency drills will be conducted monthly throughout the school year. Students are expected to perform drills in an orderly, serious manner and follow all instructions given by school personnel.
- Crisis Situation: PCS has a crisis plan which will be implemented during emergencies or if students could be in danger. During the school year PCS will inform and practice different crisis situations with the students and faculty. The Crisis Plan manual is available for viewing in the school office.

DISCIPLINE

GUIDING PHILOSOPHY

Providence Christian School provides an environment conducive to the spiritual growth and development of young people who are not yet mature Christians. A standard of conduct based on the following imperatives is necessary to provide such an environment. All activities of the Christian must be to the praise of His glory (Ephesians 1:12; I Corinthians 8:9, 10:31). The Christian must endeavor to avoid practices which cause the loss of sensitivity to the spiritual needs of the world and loss of the Christian's physical, mental, or spiritual well-being (I Corinthians 9:27).

The need for spiritual growth has led Providence Christian School to adopt standards which are conducive to the environment that will best promote the spiritual welfare of the student. The school, therefore, expects each student whether at home, school, or elsewhere to maintain Christian standards in courtesy, kindness, morality, and honesty. A student or family that will not cooperate with the school will not be allowed to remain in PCS. If parents cannot conscientiously support the school, it would be best for those parents to have their children in a school where there is not open dispute or major disagreement. Good behavior should come from within. Courtesy to teachers, school employees, other students, and visitors is required. Each student should strive to be considerate and respectful despite any differences of opinion. Bullying of any kind will not be tolerated and will be dealt with seriously.

Parents are asked to keep in mind that their son's or daughter's behavior off campus, including postings on blogs, social media, and websites have a bearing on the testimony of PCS. Anything that the administration feels would bring reproach upon the name of Providence Christian School will be dealt with accordingly.

CORPORAL CORRECTION POLICY

Although PCS believes in biblical corporal correction, the administration and the faculty do not administer corporal correction. This is left to the parents to administer.

PHYSICAL CONTACT/IMMORALITY

Romantic involvement on school property is forbidden. Hand holding, embracing, or any other contact that would contribute to undue familiarity will not be tolerated at school or at school functions. This type of behavior will result in demerits, suspension, or expulsion. Behavior should be above reproach.

In accordance with the ministry's Statement of Faith and in recognition of biblical commands, no immoral actions will be tolerated. The Bible strictly forbids such conduct, which includes both immoral acts and advocating sinful behavior. The following will not be tolerated in any form and will constitute grounds for expulsion: any form of fornication, adultery, homosexuality, lesbianism, bisexuality, or pornography. (Gen. 2:24; Gen. 19:5, 13; Gen. 26:8-9; Lev. 18:1-30; Rom. 1:26-29; 1 Cor. 5:1, 6:9; 1 Thess. 4:1-8; Heb. 13:4)

For the safety of all, PCS maintains a "hands off" policy. This means that every student is required to keep all aspects of their body (hands, feet, etc.) to himself at all times. Failure to adhere to this policy will result in disciplinary action.

PROBATION TYPES AND PROCEDURES

Probation is given to a student after the Administration has decided that it is the appropriate action. Students and parents are notified of this decision by the Administration. The purpose of this and all policies of PCS is to develop young people unto Christ-likeness. If approached in a positive way by parents, faculty, and Administrative staff, much progress can be made in the life of the child.

ACADEMIC PROBATION

This classification denotes the Administration's concern for a student academically. (If a student is placed on academic probation, his/her grades must average at least a "C", with no F's on his/her report card.). A student on academic probation will remain so for a nine-week period. A student may be asked to leave the school if the grade criterion is not met.

BEHAVIOR PROBATION

This classification denotes the Administration's concern for a student's behavior. If a student is placed on behavior probation, in addition to demerits, the following consequences will result:

- A student may not seek, nor hold, class officer/representative positions.
 - If an NHS student, membership will be reviewed by the Faculty Council.
-

DRESS CODE INFORMATION

Believing that our outward appearance is a reflection of our heart and mind, Providence Christian School expects all parents to exercise good taste and judgment in the dress of students at all times. Through our clothing, makeup, and hairstyles, we either draw attention to ourselves or magnify the Lord Jesus Christ. In the 2001-2002 school term, PCS adopted school uniforms as the standard dress code. Skirts, jumpers, pants, shorts, pe uniforms and shirts must be purchased through the official school vendor. Uniforms may be purchased online. PCS also has a used uniform store for purchasing uniforms at a discounted price. Used uniforms that are in good condition may be donated to the school.

There is no specific chapel-day attire or specific “color” day. The various items that make up the uniform package may be worn “mix-and-match,” Monday through Friday. This attire is also to be worn for most field trips. Specific dress code requirements are detailed in the Secondary and Elementary divisions of the Handbook.

Esprit de corps: to maintain school unity and spirit, students should not wear any clothing which endorses another school below collegiate level.

As other dress code issues arise, the Administration will seek to handle them in an appropriate manner.

FIELD TRIPS

Field trips may be planned during the school year for students in all grade levels. The Student Activity Fee helps offset the cost of certain trips.

- Students must stay with assigned chaperones from the beginning until the end of the field trip and may not change chaperone groups for any reason.
- Students may only leave a trip once their parent has signed them out with the teacher.
- Students may forfeit the privilege to participate on a field trip due to classroom discipline issues. On these occasions a parent will be required to attend the field trip in order for the student to attend.
- Students not attending the field trip will be assigned class work and placed in another class for the duration of the field trip.
- Students who choose to stay home during the field trip will receive an unexcused absence.
- Students are responsible to make-up all missed class assignments and may be asked to turn in assignments prior to leaving for the designated field trip.
- In case of a cancelled field trip, students are expected to attend school for the day
- Parents on Field Trips
 - Parents may go on the field trips as space permits. Both students and parents must follow dress code and conduct policies of the school.
 - Often a parent may be asked to be an official chaperone for a field trip/activity.
 - As part of the chaperone agreement, chaperones may be responsible for more than their own child.
 - Chaperones must attend the entire field trip.
 - No PCS siblings will be allowed on the field trip. Based on the nature of the trip, siblings below school age may be asked to not attend some field trips.
 - PCS does not provide a seat on the bus for chaperones. Chaperones are permitted to ride the bus if there are seats available.

FLAG ETIQUETTE

PCS students will often begin the day or at other times with pledges to the American flag, Christian flag, and Bible. Students are expected to demonstrate proper respect for the flags and Bible and will participate in pledges to each by standing and reciting the pledges.

HEALTH POLICIES

COMMUNICABLE DISEASES

PCS desires to maintain a healthful school environment by instituting controls designed to prevent the spread of communicable diseases. The term "communicable disease" shall mean an illness which arises as a result of a specific infectious agent that may be transmitted either directly or indirectly by a susceptible host or infected person or animal to other persons.

Any student or employee with a communicable disease, for which immunization is required by law or is available, shall be temporarily excluded from school while ill and during recognized periods of communicability. Students and employees with communicable diseases for which immunization is not available shall be excluded from school while ill. If the nature of the disease and circumstances warrant, Providence Christian School may require an independent physician's examination of the student or employee to verify the diagnosis of communicable diseases.

PCS reserves the right to make all final decisions necessary to enforce its communicable disease policy and to take all necessary action to control the spread of communicable diseases within the school.

A teacher or Administration official that reasonably suspects that a student or employee has a communicable disease shall immediately notify the school Administrator.

These reportable diseases include, but are not limited to the following: acquired immune deficiency syndrome (AIDS), aids related complex (ARC), amebiasis, animal bite of humans only by potentially rabid animal, anthrax, botulism, brucellosis, campylobacteriosis, chancroid, dengue, encephalitis, giardiasis (ace), gonorrhea, granuloma inguinale, Hansen's disease (leprosy), hemorrhagic fevers, hepatitis, histoplasmosis, human immunodeficiency virus (HIV), Legionnaire's disease, leptospirosis, lymphogranuloma venereum, malaria, measles (rubeola), meningitis, meningococcal disease, mumps, paralytic shellfish poisoning, pertussis, pesticide poisoning, plague, poliomyelitis, psittacosis, rabies, relapsing fever, Rocky Mountain spotted fever, rickettsia, rubella (including congenital), salmonellosis, schistosomiasis, shigellosis, smallpox, syphilis, tetanus, toxoplasmosis (acute), trichinosis, tuberculosis, tularemia, typhoid fever, typhus, vibrio cholera, vibrio infections, yellow fever.

HEAD LICE

Students must be free of lice and nits to attend school. If the student is found to have head lice, he will be isolated, and the parent will be notified to pick up the student. Before the student will be allowed to return to school, the parent must verify treatment, and then the student will be checked to be sure there are no active lice or their remaining nits.

ILLNESS

For the welfare of a sick student and others in the school, all students who are sick must be kept at home. If the office calls to notify the parents that their student has become ill, they are responsible to see that their student is picked up within one hour of notification.

Parents will be notified by school personnel in case of substantial injury, illness, or temperature above 100 degrees.

Students should stay at home if they have any of the following symptoms:

- Fever: Any student with a temperature of 100 degrees or higher should not attend school. Be aware that artificially lowering a fever via medication does not change the fact that the student is still contagious to others and should not attend school.

- Diarrhea/Stomach Flu/Rotavirus: Any student with these conditions should stay at home.
- Runny nose/cough/sneezing: A runny nose is a concern when the discharge is thick or discolored. If the discharge is thin and clear, it could be allergies, which are not contagious. It is good to teach your child to cover his mouth with a tissue when he coughs or sneezes.
- Rash: A student with a rash will be sent home and may return with a note from a doctor stating that the rash is non-contagious.
- Illness requiring antibiotics: A student who is given antibiotics must wait at least 24 hours from the first dose of the prescription medication prior to returning to school.
- An area in the school office is designated for students who are sick while waiting to be picked up.

MEDICATION

A student may have an illness that does not prevent his attending school but requires medication for relief or cure. If possible, such medication should be given by the parent at home. Students requiring medication at school must follow the following policies:

- Permission: The parent must provide written permission on the form supplied by the school office to assist in the administration of each prescribed medication. An explanation of the necessity for the medication to be provided during the school day must be included. School personnel should be informed of any side-effects or complications which may result from the medication.
- Over the Counter Medications: **Absolutely no over the counter drugs (i.e. Tylenol, cough drops, Advil, etc.) will be allowed unless prescribed by a doctor.** The medicine must be in its original bottle with the child's name, doctor's name, date prescription was filled, name of medicine and directions for usage.
- Administration: The student should be responsible for coming to the office at the appropriate time for the medication. PCS does not have a school nurse on campus.

HOME EDUCATION POLICIES

Admission policies for home school students are outlined in the Admission Policy section of the student handbook. On and off-campus activities, field trips, senior trip, banquets/formals are not available to home school students unless required by course is being taken. Other sections of the student handbook detail and govern activities allowed by home schoolers.

Providence Christian School will seek to support home education families within the guidelines approved by the administration and by providing the following resources:

- Elementary Intramural Volleyball/Basketball Program: All fees regarding this program are the same as PCS students.
- Standardized Testing: Testing is available to families of Providence Baptist Church if space allows for a yearly fee of \$100. The test dates are located on the PCS calendar.
- PSAT Testing: available to any home school student for \$40 as space is available.
- Students who participate in any aspect of Providence Christian School's program must abide by all rules and regulations found in the parent/student handbook including uniform, hair, and behavior guidelines.
- The student and parent must show proof of catastrophic insurance coverage and/or sign a waiver releasing the school of liability in the case of an accident for certain activities.

LOST AND FOUND

The school is not responsible for lost items. Lost/misplaced items may be picked up in the school office before school, during lunch, or after school. Parents are asked to write their child's name clearly on all belongings to help identify lost and found items. Students in grades 7-12 are encouraged to keep their lockers secured. At the end of each quarter, all found items will be displayed on a table in front of the school office for students to claim lost items. Items not claimed may be discarded or donated to charity.

LUNCHROOM PROCEDURES AND POLICIES

Students are to bring their lunches to school. Vendors are used on a scheduled basis for the main entrée, and the student may order with the teacher in the morning. If possible, please pay with correct change. Milk, ice cream, and other snack items may be purchased in the lunchroom.

Please make sure your child either has money for lunch or brings a lunch. Students are not allowed to charge lunches.

Microwaves are available for upper elementary, middle and high school students. Elementary teachers will provide information regarding microwave usage at the beginning of the school year.

All food and drink should be consumed in the lunchroom. Middle and high school students should place lunches in their locker.

All students are required to eat in the lunchroom unless permission is given by the administration.

Seniors are granted extended lunch permission on Fridays if their schedule allows. Permission forms for senior lunch are available in the school office.

PARENTAL CONDUCT

PARENTAL SUPPORT

The staff desires a harmonious relationship with parents. If parents have a question about a school policy or an event that involves their child, they are to notify their child's teacher. An effort will be made to resolve any differences and maintain excellent communication between parents and PCS staff.

Parental support is needed in the educational process of students. Should a parent fail to support the Administrator or staff of PCS, the Administration reserves the right to deny the student continued enrollment in the school.

While PCS encourages the assistance and support of parents, the school maintains a "limited visit" campus policy during the school day. Parent visits during the school day should be minimal and must be approved by the Administration or school office personnel. Arrangements may be made with the Administration on a case-by-case basis in situations involving special urgency or emergency (see Visitor Policy).

COMMUNICATIONS AND PARENTAL INVOLVEMENT

Our goal is to achieve excellent communication between parents and school staff. Parent/teacher meetings, conferences, notice forms, progress reports and school newsletters or other forms of communiqué will keep parents informed of their child's progress and activities.

- HeadMaster: PCS utilizes HeadMaster to provide online access to grades, assignments, financial information, etc. It is the parental responsibility to check HeadMaster on a regular basis.
- Teachers: All teachers have e-mail. It is encouraged that parents contact teachers through e-mail. Please allow teachers one business day to respond to your message.
- Knightline: A school newsletter is published once a week and sent home by email.

- Website: The PCS website is a source of information for other events. It is suggested that parents visit www.pcsknights.org on a regular basis to view updates, calendars, and important notices.
- Student Planners: Each student grades 5-12 will be provided a school planner. If a student's planner is misplaced, he/she will be required to purchase a new planner. Planners can be purchased in the school office for \$5. Classroom teachers provide guidelines on how the planner will be utilized. Grades 1-4 will utilize a folder system which is sent home each Friday in lieu of a planner.

HANDLING CONFLICTS

Many problems can be resolved with improved communication between teacher and parents. It is important that parents be sensitive not only to what is communicated but also when it takes place. For example, coming to the teacher's room to discuss a problem in the morning before school is not an appropriate time. To be most effective, communication should be attempted when both parties can give the situation their attention without undue distractions or time pressures.

If a parent has a problem relating to the school staff or a teacher, it must be resolved by following the biblical pattern established in Matthew 18:15-17.

- Step 1: The parent(s) are to make an appointment with the teacher and attempt to resolve the problem at the classroom level. In most cases, this is successful. (Administrators do not normally sit in on these parent-teacher conferences.)
- Step 2: If the issue remains unresolved, an appointment should then be made with the appropriate Administrator/supervisor. It may be necessary for the teacher to participate in the conference.
- Step 3: If the school administration cannot resolve the issue, then and only then is it appropriate to contact the School Board, i.e., the Board of Deacons of Providence Baptist Church.

Note: Parents who display hostility or lack of self-control toward any school staff member will be asked to remove their child(ren) from the school. The same is true for parents who gossip or attempt to engender a spirit of strife in the school.

Parent/Student Interactions: Parents are not to confront students who are not their own children in any matter dealing with school matters, on or off campus. This is inside or outside of the school day. Parents should contact the appropriate school staff member to deal with any student issues that require communication between a parent and a student that is not their child.

PARENT-TEACHER CONFERENCES

Teachers are available to see parents on an appointment basis. Appointments with high school teachers are scheduled through the school office. Elementary teachers (grades K5-4) schedule their own appointments. Progress reports will come out at the middle of every quarter to let parents know how the child is doing academically.

At the end of the other reporting periods, or at other times, if a parent wishes to have a conference with his/her child's teacher, please contact the teacher directly by means of a note, email, or personal contact. It is requested that parents not go directly to the classroom for an impromptu conference or at carline.

PROHIBITED ITEMS

The following items are not to be brought to school: weapons of any kind, pocket knives, matches, lighters, fireworks, gambling cards, dice, yo-yo's, skateboards, roller blades, skate shoes, trading cards, water/play guns, electronic/video games (including virtual pets), laser pointers, blankets, or picture albums. Any item that is associated with rock music (secular or "Christian"), rap, or other questionable music is not to be brought or worn to school. All non-school related magazines, books, or paperbacks are to be brought to the school office for approval.

The Administration reserves the right to prohibit any item at school that is deemed inappropriate.

REPORTING PROBLEMS AND CONCERNS

- Harassment (Bullying): Providence Christian School seeks to treat every individual with sensitivity and respect. The school encourages consideration of others and will not tolerate harassment of individuals. The environment necessary for the educational program fostered by the school must be one in which all individuals are free to develop appropriate relationships, work, and learn. The individual must be able to pursue his or her academic program without fear of intimidation, humiliation, or degradation from unwelcome and unacceptable behavior of another.
 - Sexual harassment is a violation of anti-discrimination laws. It is defined as unwelcome sexual advances, request for sexual favors, and other verbal or physical conduct of sexual nature when: (1) such conduct has the purpose or effect of unreasonably interfering with an individual's work performance (2) such conduct has the purpose or effect of creating a hostile, intimidating, or offensive work environment.
- Reporting Procedures: Any alleged violation of the harassment policy should be reported immediately. Grievances should be reported to the Administrator
- Problem Solving: Follow the Matthew 18 Principle.
 - PCS is truly a place for us, as believers, to practice Christian principles. As a chosen people, we must act initially to be responsive to God's plan, and secondly to serve as a model for the students. As problems arise, we must handle them in a Godly way. God's Word declares the way to problem solving. We can find the formula to relationship problem solving in the 18th chapter of Matthew.
 - This principle can be exercised in the Christian school and can help maintain strong, serious-minded relationships.
- As children of God, we need not be easily offended or overly sensitive. When serious problems arise, however, we should be adequately prepared to follow the Matthew 18 principle.
- Prayerfully and confidentially, the parties involved need to meet and earnestly seek the mind of the Lord. After an open and honest discussion, both must be willing to change as the Lord leads. Most problems are reconciled at this first level. God Himself gives this step first, and with it, he issues the expectation of resolution.
- Only if this first step fails should a school problem be furthered to the school administration.
- Following this distinctive practice establishes the Christian school as an ongoing spiritual exercise. Please pray for the willful exercise of this principle in this school, knowing that it works, for the spiritual is always practical.

SCHOOL OFFICE

The school office opens at 7:30 a.m. and closes at 4:00 p.m, Monday through Friday. Variance to the time and day will be announced via Knightline and/or website. Please help us maintain a professional environment by not congregating in the school office. Lunches, homework, books, messages, and other items may be left in the office to be picked up by the student. Normal summer school office hours are 8:00-3:00.

SCHOOL-WIDE ACADEMIC POLICIES

- Curriculum: Providence Christian School utilizes primarily a Christian world-view curriculum. All curriculums are taught with a Christian perspective and infused with Christian education philosophy.
- Extracurricular Activities: Students are not permitted to participate in extracurricular activities (such as athletics, clubs, etc.) that are sponsored by other schools while enrolled during the school year at PCS.
- Good homework assignments are critically important to augment daily instruction. Homework offers reinforcement, practice, remedial activity, and emphasis on special projects.
- When parents detect problems with homework (lack of interest, sloppiness or too much time involvement), the teacher should be notified.
- Coaching, encouragement and support are acceptable, but completing the homework for the child is not acceptable and could be deemed cheating which would result in disciplinary action.
- Homework is not to be assigned for completion on Wednesday nights.
- Testing Programs: PCS has testing programs throughout the year designed to measure students' abilities and progress. We incorporate an annual standardized testing program in K5 through 12th grades. All test scores are reported to parents.
 - All tests will be a part of the student's records and be used for counseling and placement.
 - Absences will only be excused for medical reasons with a doctor's note during the week of standardized testing. Any other reasons are highly discouraged.
 - The following Testing Programs are available at PCS:
 - K5st-12th grade- Iowa and Cogat Testing-March or April
 - 10th- 11th grade PSAT Testing (Pre-SAT)- October.
- Textbook & Supplies: Textbooks and workbooks are distributed on the first day of school for the grades K5-6. Grades 7-12 are given at the time of class scheduling. Grades 7-12 may purchase used books but must be approved by August 1. Any school supply or item that a child brings to school should have his/her name on it.
- Book Bags: Students are responsible for the location of his or her book bag. Secondary students are provided with lockers for storage of books and other supplies.
- Lockers: Students with lockers are strongly encouraged keep lockers secured during the school day. For your child's protection, PCS Administration reserves the right to inspect lockers at any time. If a locker is defaced or damaged, the student will be expected to pay for the damages. Nothing should be attached to the front of the locker unless permission is provided by the school office.

SECURITY POLICIES

- The PCS campus is under 24 hour security camera surveillance.
- Administration reserves the right to inspect or search lockers, backpacks, purses, student automobiles, electronic devices, and cell phones.
- Two staff members will be present during the search. Parents will be notified of a student's confiscated material.

SELLING ON CAMPUS

Students are not allowed to sell items on campus unless the item is connected with an approved PCS fund-raising effort.

SOCIAL MEDIA

Personal on-line websites/blogs may be monitored for content. Any student found with a Website/blog or website/blog material that is deemed inappropriate to the purpose and mission of PCS will be subject to disciplinary action up to and including dismissal from the school. Social media sites registered to students under the allowable age to have a site may be reported to the site Administrators.

Generally, students, whether or not they identify themselves by name in public, may engage in public speech and self-publishing in print and on the internet and similar vehicles without violating a policy of PCS. Students must realize, however, that they do not have a reasonable expectation of privacy when speaking publicly, which includes posts and the content of postings, which may result in disciplinary action up to and including expulsion.

Students are to follow these rules when posting on any internet venue (however named or described):

- As with other forms of communication, do not engage in vulgar use of language or graphics, do not engage in personal or sexual harassment, do not make unfounded accusations, or remarks that would contribute to a hostile school environment.
- Be careful with personal narratives, especially fiction, as these can be misconstrued or taken out of context by others.
- Avoid discussing the school (whether or not PCS is named) or other students, or incidents that have occurred at school that are not generally known outside the PCS. Do not show images of PCS premises or property.
- When addressing controversial issues, emphasize the issue and underlying principles of the matter in debate rather than naming specific parties involved.
- Do not appear in any lewd or suggestive manner, inappropriate dress, making unholy displays or gestures.
- Do not engage in other activities that are illegal.
- Do not post in a public space any material or pictures which could cause a reasonable person to question your qualification for enrollment at PCS.

TELEPHONE USE

Students are only allowed to use the telephone in the school office with permission from office personnel. Student telephone usage is limited and should not be used for forgotten items, such as homework, books, musical instruments, and P.E. clothes.

Students are permitted to use a personal cell phone or texting only when given specific permission from a staff member, otherwise all personal cell phones are to be turned off during normal school hours (See Cell Phone Use policy).

VISITORS ON CAMPUS

School visitors are those who are at PCS briefly to see their child or observe student participation in an event (day-time program, assembly, presentations, etc.). Parents or authorized visitors (i.e. grandparents or other family members, graduates of PCS, pastors or youth pastors) are always welcome to observe our school provided that prior arrangements have been made with the teacher and administration. Authorized visitors must first report to the office to sign in, and they will be issued a visitor badge to be worn for the duration of the stay. Parents are encouraged to visit campus and volunteer in a variety of ways. We require that all visits be limited to 30 minutes unless the activity requires a longer stay.

Friends (non-PCS students) are not allowed on campus or to loiter in the parking areas. Only perspective students and out-of-town relatives are allowed to shadow a student. The parents of the PCS student will be totally responsible for the actions of the visitor. The visitor will need to comply with all the basic rules and guidelines every student must follow (classroom decorum, respect for authority, etc.). Visitors are not allowed during exam week or achievement testing week.

We strongly discourage former students who are not alumni from coming to visit during school hours. Former students are welcomed to attend athletic events, fine arts performances, etc.

All visitors, including parents, are asked to respect the standards of the school when on campus, even if only for a brief stop. Visitors are requested to wear modest apparel whenever appearing on campus for any reason. Parents are allowed to eat lunch with their child on a limited basis apart from the remainder of the class to avoid disruptions in the lunchroom.

Note: The Administration reserves the right to prohibit visitors who are not appropriately dressed or exhibit disruptive behavior.

HOMEWORK

- All homework and assignments must be completed in order for a student to receive a grade for a course, even if late penalty deductions cause the assignment grade to be a zero.
- Unexcused late homework will be assessed a temporary grade of zero if not turned in at the time of grade book entry. Once the assignment is completed and turned in, the temporary zero will be adjusted to reflect the assigned grade.
- A standard deduction of 20 points per day will be given for all unexcused assignments.
- All work missed because of an excused absence must be made up within a time frame equivalent to the amount of days missed unless other arrangements are made. By design, this time is to be used to complete homework assignments, to complete research and writing projects, and to prepare for quizzes, tests, and exams. Study Hall must not be viewed as a break from classes or as a social period. It is designed to help students become academically mature and be able to master the art of time management.

No course may be added or dropped after the first ten school days of a new semester. Permission to drop a course must be secured through the Administrator or his designee. A student must bring a written note from a parent approving the change.

Writing that expresses one's own thoughts, experiences, or interpretation and is stated in one's own words does not require documentation. Also, when information is common knowledge or is from a specific text, it does not need citation. As a standard for proper documentation, PCS will use the MLA or Turabian format.

 - Students should ask for assistance from the teacher when a question of documentation arises.
 - Plagiarism will result in receiving a zero or failing grade on the assignment depending on the extent of the plagiarism. Repeated violations could result in expulsion.

ATHLETICS

PCS maintains an active interscholastic athletic program for both young men and women. The philosophy of PCS regarding athletics and other activities is that the programs are an integral part of the student's total education. Our athletic program strives to honor Christ in each activity. As a member of the Florida Christian Conference (FCC), Providence Christian School and its athletes adhere to FCC governing rules, regulations, and eligibility requirements:

ELIGIBILITY

- Prior to the first game all students must have:
 - A current physical examination. The Physical exam must be done yearly and is good for one calendar year.
 - All required fees (non-refundable) are paid in the sport participating.
 - The office has A copy of the student's birth certificate.
 - A student who has 3 or more D's, an F, or incomplete may not participate or attend practices or games until the grade has been brought up according to the Florida Christian Conference guidelines.
 - A student who earned less than a 2.0 G.P.A. the previous semester will not be eligible for the current semester
- The following are requirements during the season:
 - In order to participate in sports or cheerleading, a student must maintain a C average with no F's or incompletes.
 - Grades are checked and progress reports are sent out at the midpoint of each grading period.
 - A student who receives an F or three or more D's on progress reports becomes ineligible for participation in practices or games until the grades are brought up. This ineligibility would become effective the following Monday after the progress reports are issued.
 - A student who receives an F or three D's on his/her report card must automatically sit out of and not dress for games for a minimum of three weeks, beginning the first Monday after report cards are distributed. Players are still required to attend practice unless instructed otherwise.

- Ineligible players must present a signed note to the coach from the administrator before participating in practice and/or games.
- Ineligible players may not travel with the team to away games.
- An accumulation of 30 or more demerits will result in removal from any team, squad, or ensemble.
- Athletes not turning in uniforms will have report cards and all athletic awards held.
- PCS Administration reserves the right to suspend or dismiss an athlete from participation at any period during the school year.

PRACTICE AND GAMES

- Team members must be present at all games and practices in order for participation in the sport to continue.
- Team practice and game policy is up to the discretion of each coach under the guidance of athletic director and administration.
- No student is allowed in the gym, weight room, or athletic fields without the coach or appropriate adult supervision present.
- Athletes must ride the bus to and from practices and games unless they have a note signed by their parents given to the coach.
- In order to participate in practice or a game, a student must be at school the start of second period. Exceptions are granted with a doctor's note or prior approval from the administration.

PARENT PARTICIPATION

- Parents are viewed as an integral part of our athletic program. We encourage parents to stay in contact with their athlete's coach regarding any concerns that may arise.
- As in all areas of PCS, we follow the Matthew 18 principle. The correct procedure is contact the coach, then athletic director, and then administrator.
- A meeting will be held at the beginning of the year for all athletes and their parents.
- In support of our athletic program, all parents of athletes will be asked to work in the concession stand or at the gate admission.

BEHAVIOR AT BALL GAMES

Students and parents are expected to practice good sportsmanship at all ball games. Booing or taunting another team or the officials is unacceptable. The testimony of PCS is more important than the outcome of any game.

DISCIPLINE

Discipline is learned; we recognize that it is taught in the home, as well as at school. This learning process should assist each student in developing a Godly, biblically-based sense of responsibility toward their own behaviors, attitudes, and actions towards God and others. The clearly communicated, firm, fair, and consistent application of biblically-based principles is the guiding factor in every aspect of developing a safe and harmonious school environment.

Discipline is necessary for the welfare of the students as well as the entire school. Teachers are placed in an authority role in each classroom and are given the liberty to make and enforce classroom regulations in accordance with the disciplinary standards of PCS.

Parents are asked to keep in mind that their child's behavior off campus, including social media, has a bearing on the testimony of PCS. Anything that the administration feels would bring reproach upon the name of Providence Christian School will be dealt with accordingly.

Providence Christian School incorporates many disciplinary methods including reprimand, demerits, detention, suspension, and expulsion. Often, parent conferences are required by the administration to emphasize the seriousness of a problem and to seek problem-solving ideas. A full cooperative spirit between the home and school is an important prerequisite for student growth.

DEMERIT SYSTEM

The demerit system provides a guide for discipline in the middle and high school division. **The goal of any disciplinary action is to bring about self-discipline.** The primary purpose of our demerit system is to have a method of communication as well as documentation of unfavorable patterns of behavior or character traits. PCS expects students to be well disciplined and exhibit positive conduct and behavior while at school or school functions. Failure to abide by the standards outlined in this handbook and the guidelines of teachers in the classroom will result in demerits.

Demerits are reported by the teacher or other school personnel to the Administrator or his designee who then assigns demerits. Discipline notices are available to view on HeadMaster. Parents are encouraged to check the Behavior section of HeadMaster on a regular basis. Demerits levels begin at zero each semester.

Situations not specifically addressed by this demerit system will be handled by the administration.

Changes may be made to this system at the discretion of the administration and/or board of deacons of Providence Baptist Church (school board).

Students that receive 2 or less demerits the entire school year will be treated to a free lunch off campus at the end of the school year.

EXPULSION FOR EXCESSIVE DEMERITS

A student who receives ninety (90) demerits in one semester will lose the privilege of continued enrollment in PCS. A student must sit out of school at least one full year before being considered for re-enrollment. This will be handled on a case-by-case basis.

DRESS CODE

The following information will help you choose the appropriate items of clothing and hairstyles, which may be worn by students.

- Rationale for uniforms: Choosing uniforms allows regulation of neatness in appearance, while avoiding extremes and providing moderation of styles. It is our desire at Providence Christian School to uphold the standards and principles of the Word of God. We must strive to honor the Lord and to maintain a good testimony in our appearance both on and off campus. We are an extension of the home; therefore, it is imperative that we have parental support in these areas of school policy.
- Dress Code Violations: If students are in violation of the dress code, the following administrative procedures will be followed:
 - First offense – The student will receive a written warning and the student must return a signed copy, of the written warning, by the parent, to the school office the following day. Students that do not return the signed parent copy will receive a lunch detention.

ELEMENTARY SCHOOL POLICIES AND GUIDELINES

At Providence Christian School, we recognize that Jesus Christ is the source of all knowledge and that according to Proverbs 10:14, "Wise men lay up knowledge...." REQUIREMENTS FOR PROMOTION

GRADES K5-2

If a student fails both math and reading, he/she is retained. (A student will not be retained more than once.)

If a student makes an F in either math or reading, summer tutoring is **required**. This is based on a yearly average.

If a student is weak in phonics and reading, summer tutoring is **recommended**.

A student who makes an F in one major subject is required to receive tutoring during the summer.

A student who makes a D in one major subject is recommended for summer tutoring.

This is based upon yearly averages.

DISCIPLINE

The 12th chapter of Hebrews declares the need for proper, love-based, teaching discipline. Discipline is defined as training that develops self-control, orderliness, and efficiency. Discipline is necessary for the welfare of the students as well as the entire school. Teachers are placed in an authority role in each classroom and are given the liberty to make and enforce classroom regulations in accordance with the disciplinary standards of PCS.

Providence Christian School incorporates many disciplinary methods including positive reinforcement, reprimand, suspension, and expulsion. Often, parent conferences are required by the Administration to emphasize the seriousness of a problem and to seek problem-solving ideas. A full cooperative spirit between the home and school is an important prerequisite for student growth.

A consistent classroom discipline policy for each grade level will be developed, including rewards for good behavior. Teachers will thoroughly familiarize students with their behavior expectations. An explanation will be given to parents explaining the classroom policies.

The elementary division does not have a demerit/detention system. If there is a minor discipline problem, the teacher will handle it at school. If a problem persists, the teacher will send a discipline notice home to inform the parent of the problem. The note is to be signed by the parent and returned the next day. Conferences may also be arranged as necessary. Major discipline problems will be addressed by the Administrator. Students with excessive discipline problems will be placed on probation. If the behavior is not corrected, the student will be dismissed.

The guidelines set forth in this handbook are not inclusive of all the policies and procedures guiding PCS. Since our school is a ministry of Providence Baptist Church, we endeavor to maintain the church ministry's standard of excellence. The School Handbook is subject to change whenever necessary by the Administration to achieve these goals.

The Administration and faculty's desire is for the parents to understand that it is the goal of PCS to work closely with parents in the teaching and training of their children. This handbook is provided so that both the school and the parents can work together to accomplish the greatest spiritual and educational goals for our students.

All parents and students are held responsible for knowing and abiding by the regulations in the School Handbook, which has been approved by the Administration.

An exception to any policy in this Handbook for one is not meant as an exception in the policy for all.
